

Grizzly Adams

*J*deal as a weekend/starter/retirement home, our Grizzly Adams may be the biggest little house on the prairie.

A true great room with kitchen and two bedrooms provide all that's necessary for living simply. It's easy to add an optional utility and mudroom area. With some imagination, the floor plan can become the core of a home that can expand as your needs change.

For the pioneer in us all.

840 sq. ft.

Bedrooms: 2 Baths: 1

25' 3" x 33' 3"
