

Summit

Our Summit has the versatility characteristic of ranch style homes. It serves well for vacation/retirement or as a comfortable starter home for a young family. Exposed beam trusses highlight the cathedral ceiling in the family room and kitchen/dining area. Three roomy bedrooms radiate from a short central hall that holds laundry facilities. Size and styling make the Summit a perennial favorite log home design.

A true rancher with a log home flair.

1355 sq. ft.
